

# WORKSHOPS

with Kim Oleson

## RAW-EDGE REVERSE APPLIQUE

### 6-hour workshop

Using my techniques, you will work with fabric paints, airbrushing and hand stitching to add unique elements and interest to your quilts, bags, garments, etc. You will be amazed at how easy and addictive this technique can be! You will create a design, apply it to fabric and create a block of Raw-edge Reverse Appliqué to use in a quilt, bag, pillow, or other project. Kit required.

### Kit Includes

- Fabric
- Perle cotton
- Needles
- Pattern
- Stencil
- Textile paint
- Needle gripper

All equipment is also provided- Airbrush & compressor, embroidery hoop, masks, gloves, paintbrushes, vented booth, scissors, needle threader

### What to bring

- Paint shirt or apron
- Your favorite thimble (If you haven't used one or don't have one, thimbles will be available)
